Nissan Forklift

Nissan Forklift Training Regina - Nissan takes immense pleasure in reaching overall client satisfaction, when their client is experiencing one of their many products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to delivering high value and meticulous quality standards to their clients. Incorporating a fruitful heritage combined with resilient production principals, Nissan lift trucks offer a few of the best materials handling equipment the industry has to offer.

In order to meet the worldwide requirements of their assorted consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing consumer support, the business has four separate manufacturing facilities that allow them to continually adapt to their consumers continually evolving needs by providing a variety of progressive ideas and concepts.

The Nissan Lift truck North and South American foundation is situated in Marengo, Illinois. A loyal team of 350 personnel is fully committed to the collaboration, design and manufacture of their products. Working under the ISO-9001 and ISO-14001 certifications, helps each sector of the Nissan Forklift Corporation to maintain environmental accountability by utilizing techniques that minimize the global impact of their products and processes. These high values remind clients that Nissan operates under the quality seal that their clients insist upon while being an environmentally aware company.

Nissan is quite certain that any of their clients inquiries and client concerns directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally authorized sellers or even going to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their hospitality and commitment.
